Determine if there is evidence of management review of the bank reconciliations. Determine if the reconciled balance for the final month of the fiscal year agrees to the general ledger.

Finding: There is no evidence of management review of bank reconciliations.

Response: During the fiscal year, the Board Chairman, Treasurer, and Administrator all received and reviewed original copies of the bank statements however due to a misunderstanding of last year's finding, the bank reconciliations were not reviewed. Beginning immediately, the accountant will send copies of each bank reconciliation to the Chairman, Treasurer, and Administrator who will sign off as reviewer and retain in the records of the Board.
